CAMP LEGEND

DESIGN YOUR OWN
Tooth Fairy
Wings!!

Print 2 copies of the wings on cardstock.

Cut them out and place them side
by side with the wings extended.

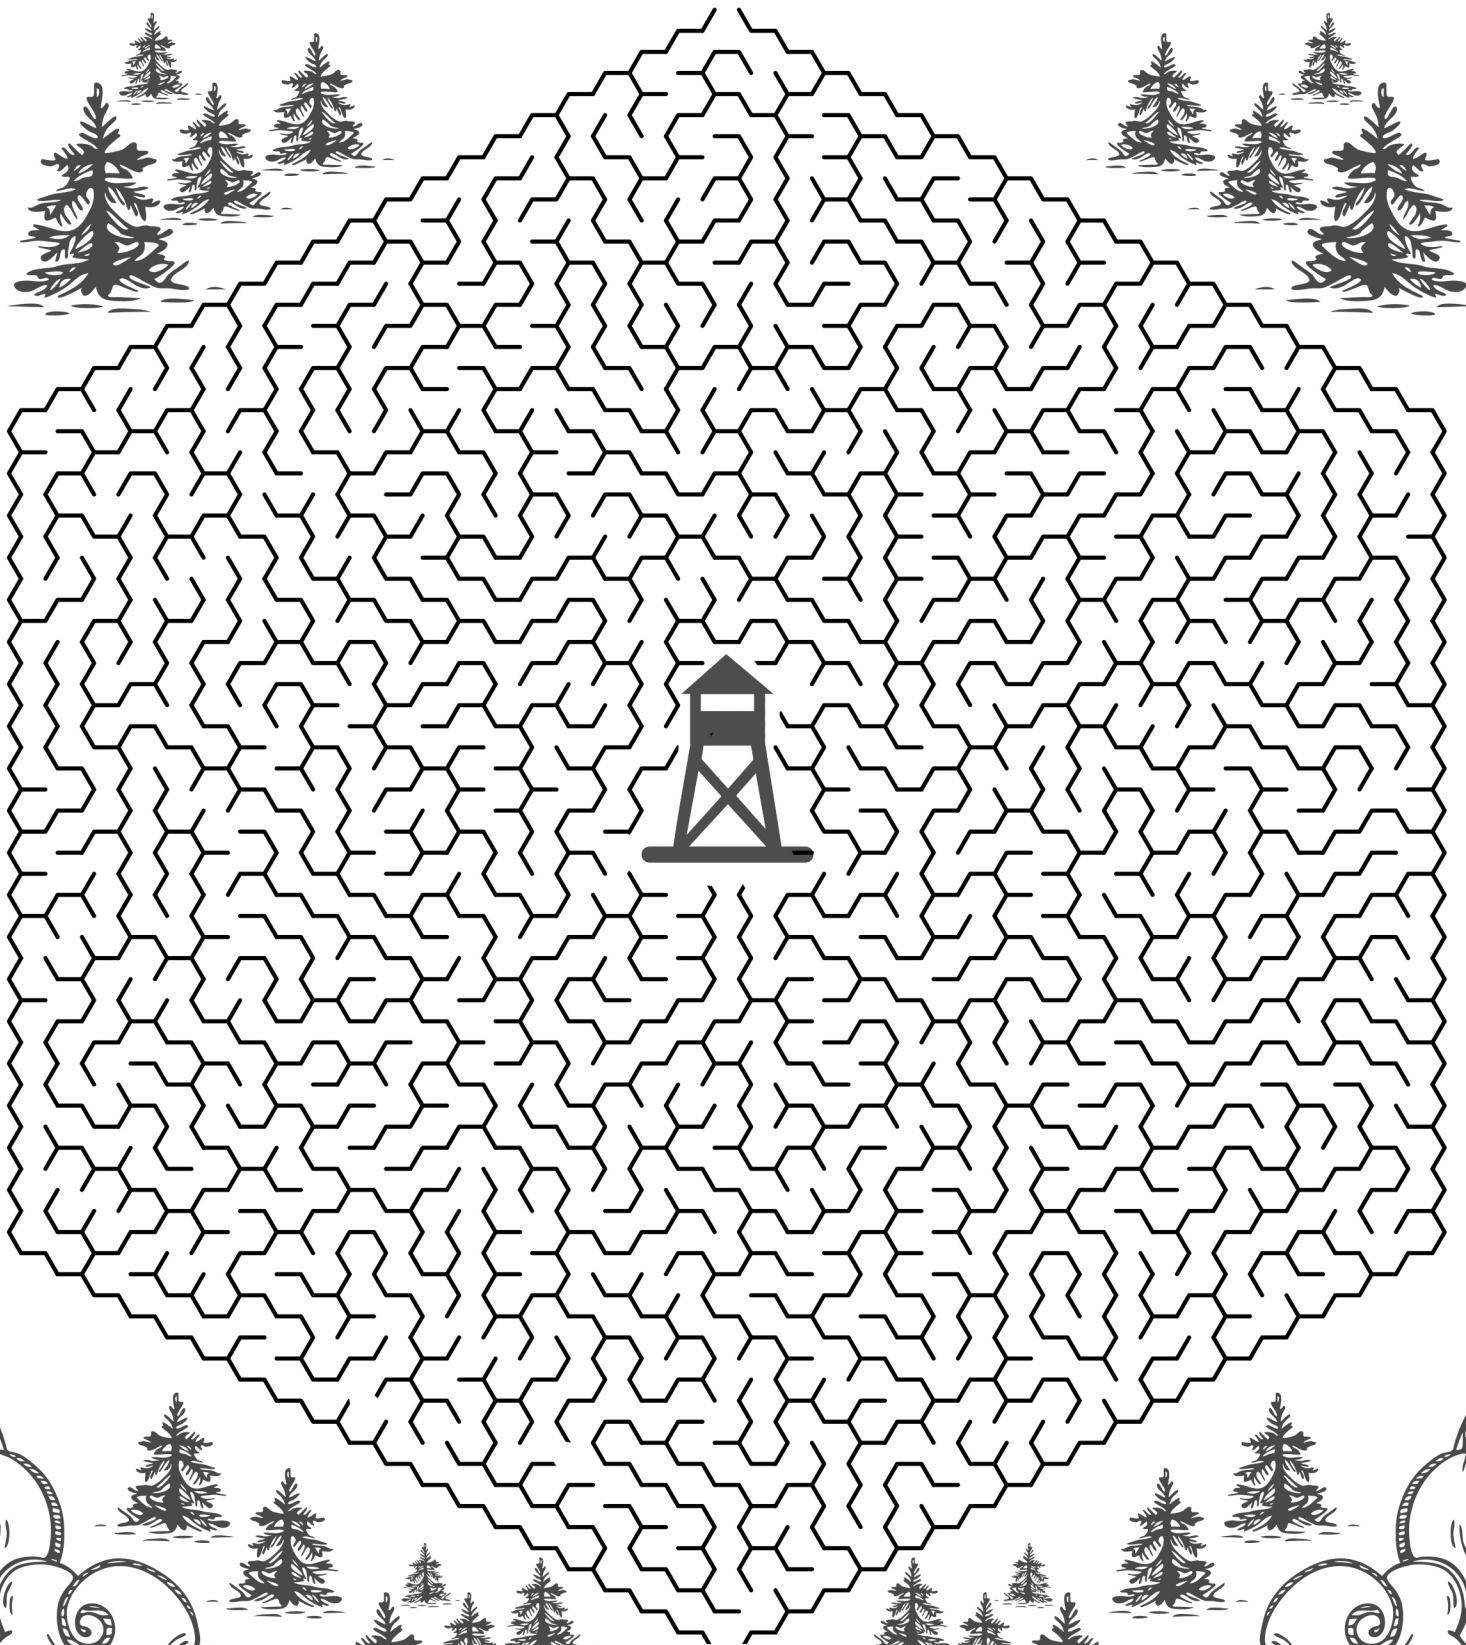

Now decorate them! The members
of the Molars tent really LOVE their
glitter—I hope you have some on hand.

If you want to try your hand at even
bigger wings, use this print as a
template. Get two poster boards and out-
line with a pencil the shape of the wings.

Then follow the steps above. Have fun
flying! Remember, you have to believe.
